There will be two strategic meetings with invited stakeholders, business owners, and Opticos in the morning. Please send the names of stakeholders from the community as you collect them to Laura asap. Volunteering for the morning meetings: Steve Woods, Karina Bangey, Lon Tatum, Chelly Mack, Chad Fowler, Travis Gilbert, and Kimberly Hess.

There are two sessions in the afternoon:

Walking Tour open to everyone. 2:30 to 3:30 - Volunteer: Steve Woods

Visioning Workshop 4:00 to 6:00 - Volunteer: Liz Machado

Liz will distribute informational flyers throughout the community and try to get time commitments by the business owners for the morning meetings.

The specific plan overlays the general plan with some community involvement on how things will look and feel 20 years from now. The area involves a triangle of Junction / Deschutes / Foothill High School. Gives the Palo Cedro citizens a little bit of control on what is planned. Palo Cedro Town Center is the name of the project and not an actual Town Center.
